Killer Wedding Jerrilyn Farmer 2010-08-17 Although not about to say "I do" anytime soon, hip party-planner Madeline Bean is no stranger to the phenomenon known as the LA wedding; the good, the bad and the kind where the party lasts longer than the marriage. Still, Maddie never expected to be the guest of Vivian Duncan, the West Coast's grande dame of wedding consultants, at a lavish affair held amidst the dramatically lit fossils in the Nature Museum's Hall of Dinosaurs. While checking out the glittering event, Maddie, with her keen event planner's instinct, realizes something is not quite right, but what? The groom is on time. The bride is beautiful. And a corpse wearing a Cartier bracelet is dangling from the triceratops skeleton. Ah, yes. That. With people disappearing and the bride in tears, Maddie just may be the next species to become extinct...unless she can reveal the murderer fast. Quicker than she can whip up a white chocolate wedding cake, Maddie follows the trail deep into dark jungles—urban and otherwise—amid tantalizing tales of smuggled gems, while fending off a nervous bridegroom, a crazed carjacker, and a half-naked ice-sculptor and his trusty chainsaw. Along the way, she discovers something old, something new,

something deadly and something a wedding pro should never, ever do. The Soldier's Wedding: Special Forces

#1 Karina Bliss 2018-02-11 Award-winning author Karina Bliss launches her Special Forces series with a sweet, funny, growing-from-tragedy, kind of steamy friends-to-lovers romance. Love heals all wounds... Special Forces soldier Dan Jansen has come home from Afghanistan with one objective: to marry Josephine Swann. First he has to convince his childhood friend that their marriage 'agreement,' a tipsy scrawl on a beer coaster three years ago, is binding. And that platonic love is enough to build a passionate future on. Protect those you love... Jo has only thought of Dan 'that way' once; the night before a surgery that changed her life forever. Friendship is all she has to offer as she struggles to care for her grandmother and resurrect her business. Both have wounds only the other can heal. But that requires surrendering their secrets. Can two best friends create a love story for the ages? Previously titled: Here Comes The Groom "Karina Bliss is an excellent writer whose plots are so complex and her characters so realistic that readers are given much more than cookie cutter rehashes of classic stories. Also, her solutions to the problems are unique..." Desert Isle Keeper. All About Romance. "I've announced the next book club pick, and it's lovely fun reading. I would venture to say it causes one to be washed on the warm baking sands of love's splendid shores of good reading bliss..." Smart Bitches Love

Trashy Books. "If I had to summarize what I think the skill of a good romance author is, then it is this ability. Problem is, now he's got me thinking about that once-in-a-lifetime walk down the aisle. Which is crazy—Connor and I couldn't be more wrong for each other.
